Prophecy

As we look into the year 1986, we see the Petrolia High School graduating class of 1976 in the following roles:

CATHY ADAMS is now the top head-shrink at the state hospital. She claims she has helped many people, but she still wears the same size hat.

DENNIS AUSTIN after completing his college education and getting his degree has found it all useless. He now operates his own junk yard.

LINDA BACHMAN is now head bookkeeper for the U. S. Treasury Dept. and has created her "Watergate."

KIM BEVERING now owns her own airlines. She is one of the pilots. If you need a flight contact Bell Airlines, for a ding-dong of a flight.

DONALD BITZ has now taken Steve Austins place in "The Bionic Man", but has changed the title of the show to "The Bionic Bitz."

DEBRA CAMPBELL is head nun in charge of production at Father Craig's orphanage.

DAVY COLVIN is no longer sacking groceries but is now owner of Petrolia's famous Gritter Mall. So go to J. C. Husses, Plum Gritters and so on, he sells everything a person needs for the wilder kind of life.

DEWAIN DAVIDSON is still working at the Skelly, and now has both his and Stephanie's sons working under him.

JOHN AND SAMMIE DEASON are now living in Wichita Falls. John is still employed digging ditches while Sammie has her hands full taking care of their kids at home.

DARLA DeMERS has declared she postponed her wedding for the last time. If Clay doesn't graduate this year, Darla will stay a swinging spinster.

CARLA DOWLEN is now competing with Liberace for pianist of the year.

LARRY GOOD is now carrying and sacking groceries for only one woman. If you see him on 287 girls don't pick him up she says it isn't wise.

DIAN GREELING is now modeling bikinis for Perkins Timberlake, but she has one question and that is, "What do I put in it?"

STEVE GUICE as a last report has now ratted his afro and darkened his skin in hopes to get a place on the Knickerbocker's basketball team.

JERRI ADAMS is now working on her 12th child. When asked, "Why so many?" She replied: "They're cheaper by the dozen."

ROY LONGCRIER now has a circus act where his assistant DeDe jumps off the top of a staircase and lands on his head. They do have one big thing they can't seem to iron out, how to land without breaking Roy's glasses.

LESLIE McCURDY is now happily married to H. H. and is playing part-time basketball with her old friend "ABBERNATHY."

JEANNEE McKINLEY is presently employed as head photographer of Playgirl magazine. When asked about her job, she just smiles.

DENNIS McADEN thinks he is a lawyer and is trying to prosecute the head nurse of the alcohol ward at the State Hospital.

DIANE MILLER has just won the Indi 500. Her first words to the reporter were, "It's in the Miller Blood."

CHARLES NAUMAN is now proclaiming to be an expert. When asked what field he is an expert of he replied "Every field, what do you think?"

JAMES NIX is now a historical marker made of eggs, shaving cream, and anything thrown at him after he was mistaken for Stanley while riding his bicycle through town one Halloween night.

JEANNIE LANE is now patrolling the corner of 7th AND CENTRAL in downtown Charlie. Good Luck Jeannie!

SUE NIX in hopes of changing her image has changed her name to Nixsue, but it was mistaken for Nixon and she was kicked out of the country.

DALE PRICE, on a hunting trip to Australia, was shot when mistaken for an orangoutang.

DON RILEY, following in the footsteps of his dad is now mayor. His first plans were to make 25 days out of each month a holiday, but all efforts failed, because no one was willing to work the rest of the month either.

MARK RUTLEDGE after all of these years as school janitor was suddenly promoted to H. S. Principal. Big Mullet took his old position.

THERESA TAYLOR ADDKIDS has lived up to her name. She is still living here in Petrolia with her hubby Jerry and their ten kids.

ROBERT SIMMONS is now the tidy- bowl man at the Sikes Senter public restrooms.

PAULA PETTYJOHN now has her hands full, she's taking care of her little girl and has recently had quadruplets.

TONY VIA has repainted his jeep another color and is headed for the deep dark jungles of Africa on a hunting expedition in search of wild game; at least he hopes she's wild.

KAREN HOLDER is finally living back in her old home town in Arizona with her husband, little girl, and 17 little boys.

MIKE WARD, after collecting 25 wrecked cars, has started his own body shop. He stands quietly looking at the cars and replies, "With a little elbow grease these babies will be runnin' smoothly again."

DONNIE HUDNELL has his own theatre business now which shows only x-rated film. The profit is good, but he is still in the C. B. Business. He says he needs the money to support his sick aunt, little brother, alcoholic cousin . . .

MIKE GANGE couldn't make our reunion as he was snowed-in, in Alaska. We were told not to worry about him, for he has a nice igloo and a cute Eskimo to keep him warm.

GARRY HAMILTON was recently injured when he fell into his truck-load of fire wood. Now he knows he will never get a desk job, at least not in the near future.

Always remember the
